PROFILE

Software Engineering student with strong experience in building scalable applications, databases, and distributed systems. Proficient in Python, Java, Dart, and PHP, with hands-on experience in cloud technologies, microservices, and full-stack development. Passionate about problem-solving, algorithms, and developing impactful software solutions.

EDUCATION

Bachelor's Degree in Software Engineering Oct 2022 - (Expected 2026)
Arab Academy for Science Technology and Maritime Transport
GPA 3.78 / 4.0

EXPERIENCE

Database Course Instructor, Pixelix Academy - Remote September 2024 – Present

- Tech Stack: SQL Server , DBMS
- Major achievements :
 - Earned 'Most Engaging Instructor' award based on student feedback, improving the learning experience for 30+ students who felt comfortable asking questions in class due to a collaborative environment each week.

IT Internship, Agricultural bank of Egypt (ABE) - On-site July 2024 - August 2024

- Tech Stack: Oracle SQL , ASP.Net , Linux
- Major achievements :
 - Contributed to deploying a new core banking system, improving transaction efficiency and backend reliability.
 - Assisted in backend development of InstaPay integration for ABE Bank, enabling secure real-time payments.

Projects

Elbatal Study Mate - On-site

- Technologies : Flutter, Python (Flask), MySQL , FireBase
- Developed a comprehensive system to help college students to manage and improve their skills and enhance their knowledge and empower skills and boost their career

Exam System (Examak) - On-site

- Technologies : JavaFX, Multithreading, Socket Programming, OOP
- Developed a robust exam management system to facilitate student enrollment, examination processes, and result tracking. Ensured high security for data integrity and smooth operation during exams.

Taste Wizard - on-site

- Technologies : Java, JavaFX , SQL , Visual Studio
- Developed a machine-learning powered sensory evaluation system predicting consumer acceptance. Built dataset across 12 snack & drink categories, designed algorithm, and implemented full UI.

Mangroov Stays Website - Live Website

- Technologies : HTML , CSS , JavaScript , PHP , SQL , Visual Studio
- Built a booking platform for Mangroov Stays with responsive UI, admin dashboard, and real-time availability management.

VOLUNTEERING EXPERIENCE

ICPC AAST ASWAN community	Sept 2022 - Sept 2024
• Head of Scientific Committee • Problem Setter • Instructor & Mentor	
Google Developer Student Club AASTMT Aswan	Sept 2022 - Sept 2023
• Core Programming Team Member	

ACHIEVEMENTS

- Ranked among the top 10 students in the **Software Engineering Department** at my university.
- Qualified twice for the **ICPC Egyptian Collegiate Programming Contest (ECPC)**.
- Solved **1,000+ programming problems** in various online judges, including Codeforces, VJudge, and LeetCode.
- **1st Place** – Upper Egypt in Action (UEA) 7th Edition Undergraduate Competition.
- **1st Place** – Software Engineering Excellence Day at my college.
- **1st Place** – TasteWizard project in collaboration with **Cairo University students** at the **Sensory Evaluation & Rheological Properties Competition**.
- **Expert on Codeforces** (Profile : Aly_ibrahim)

CERTIFICATION

Agile and Scrum - Orange digital center (ODC) and Coursera.	March 2024 - April 2024
• Introduction to Agile • Scrum / Scrum Master	
DevOps - Orange digital center (ODC) and Coursera.	August 2024 - Sep 2024
• Core Topics: AWS, CI/CD, Infrastructure as Code, Serverless Architecture • Skills: Terraform, Jenkins, Ansible, Docker Swarm	

SKILLS

Programming Languages :

- C/C++ , JavaScript, Python, Java, Dart, PHP

Frameworks and Libraries :

- Java FX, Flask, REST API, Flutter

Databases :

- PostgreSQL, MySQL, MongoDB, SQL Server, FireBase

Soft Skills :

- Agile and Scrum, team collaboration, creativity, aptitude to learn, work well under pressure, presentation skills, leadership, communication skills

Other Skills :

- problem-solving skills, Git / GitHub, Unit Testing, OOP

LANGUAGES

- **Arabic** : Native
- **English** : Full Professional Proficiency
